Our Programs & Services for Employment Seekers

Preparing You for Your Job Search

We inspire you to unlock your potential and improve your skills. Our caring staff and practical workshops equip you with the skills and the confidence you need to be a valued employee.

We will help you to:

- Set employment goals
- Develop a resume
- Improve your English language skills (for newcomers)
- Expand your job search tools
- Access the hidden job market
- Prepare for interviews

Training You for the Job

Our Facilitators give you the tools and training required by employers in London's leading manufacturing, construction and property maintenance organizations.

Program benefits:

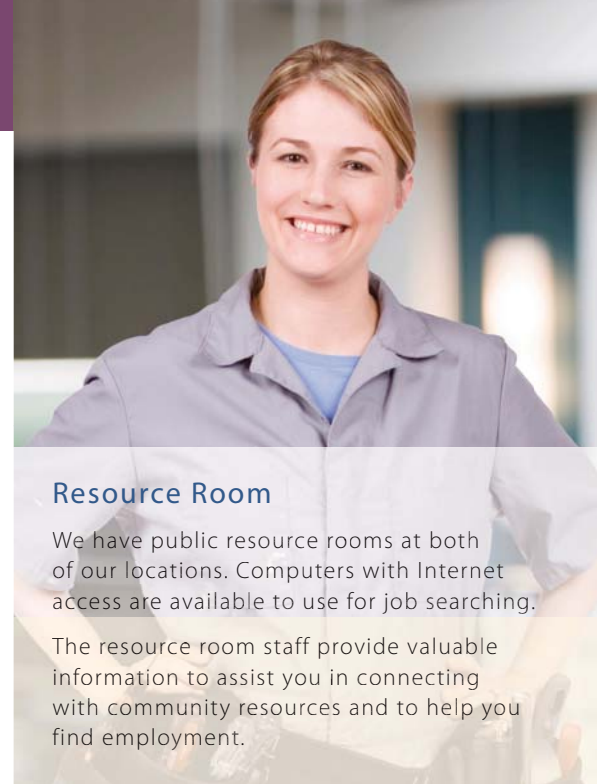

- Learn key skills for your respective industry
- Work in teams on self directed projects
- Train in the field through co-op placements with prospective employers
- Receive certifications employers require

Over 85% of our graduates find work in their field!

Assisting You with Your Job Search

We know that having the right tools is only part of the effort of finding a great job. That is why we are committed not only to give you the tools, but to also assist you to put them into practice. Our Placement Coordinators are your coaches, encouragers and advocates as you conduct your job search.

Our team works with London's leading employers to help match their opportunities with the skills of our candidates.

Resource Room

We have public resource rooms at both of our locations. Computers with Internet access are available to use for job searching.

The resource room staff provide valuable information to assist you in connecting with community resources and to help you find employment.

Why Pathways?

- Our staff are compassionate and accepting
- Our workshops are varied and interesting
- We inspire, equip and support you so that you are prepared to re-enter the workforce
- We are committed to your success!

We invite you to come and experience Pathways for yourself! All of our programs are free of charge for eligible candidates.

“I'm the happiest that I've ever been. I'm grateful to the staff at Pathways because they were always there for me when I was feeling down, they never gave up on me...and now I have a job that I love...it's not work when you love your job.”
