Language That Works

This is a community-based language-learning program to help you move out of the classroom with the necessary knowledge of the language and culture.

If you are between levels 3-6 on the Canadian English Language Benchmark test and desire to improve your language skills, you are well suited for this program.

The program provides:

- Daily language practice speaking English in the community
- A personalized learning plan
- One-to-one language coaching
- A language support network
- Small group instruction
- Volunteer placement in the community

You will learn about:

- Exploring your new community and culture
- Making friends and acquaintances
- Starting and maintaining conversations in English
- Accessing community resources to meet your family's needs
- Getting employment in Canada

More Than Just a Job

This program is designed to assist families living in North East London to overcome barriers to meaningful employment.

Our Outreach staff will work with you to develop a personalized plan that fits your family's situation and needs.

The program provides:

- A personalized plan to secure employment
- A plan to support your family using available resources
- Employment workshops
- Coaching and support while searching for a job
- Opportunities for training
- Connections to employers

You will learn about:

- Available community resources
- Planning to meet your family's needs
- Creating a resume and cover letter
- Efficient job searching
- Accessing the hidden job market
- Using your skills and tools to achieve your employment goal
